16th December 2016

Santa has been keeping his eyes on us through Santa Cam, we hope he is impressed with our excellent writing this week! We have even had some early stocking presents. It looks like he found his way in...

Our Learning Journey

We've spent some time thinking about our achievements so far this year: Some of us have learnt to be brave, some confident, and some patient. We wrote letters to Santa to share this, along with our christmas wish list of course!

We've deepened our knowledge of traditional tales, this week's tale being: 'The Night Before Christmas'. We love acting as the characters, repeating the story, and quizzing each other on it. We also thoroughly enjoyed travelling North, South, East, and West through the sky as reindeer!

We've been consolidating our learning about the Nativity and advent through making Christingles. We are looking forward to sharing our compliment slips with you!

And not to forget to mention, the panto! Cinderella was wonderful. We especially loved the disco lighting and renditions of famous pop songs we know and love. We can't wait to go again next year!

Star learner this week is...

Justin!

You've shown amazing perseverance this week in writing. Santa is going to be very impressed with your letter to him!

Well done Justin!

Reminders to Families

Home learning: Home learning this week is to design a bauble. **Please bring in for Monday!**

*Many thanks,
Mrs MacCormack*
