

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

17th May 2019
Summer 1 Week 4

Our Learning Journey

What an amazing week it has been! As I am sure you know, we had an Ofsted inspector in on Tuesday. He observed a maths lesson and a science lesson in Cedar Class. Of course their learning behaviour was excellent! Children were engaged enthusiastically in both lessons and I am always very keen to show off their workbooks to anybody who is interested in what we do in our class.

We have also planted some seeds and written how to care for our seeds over time. Children have planted poppy seeds, marigolds and lettuce. They investigated the different seeds under a magnifying glass and we will keep a diary of the seeds growth.

Children have also been learning about fractions and time in maths. We have created artwork inspired John Stezaker and have talked a lot about halves, quarters, horizontal line, vertical line, equal parts.

Focus on Learning

During phonics, we are still looking at texts together and identifying the different sounds. We are thinking of all the different ways we can write the same sound. Recent assessments show that some children need to practise sounding out words with split diagraphs: cake, made, bone, kite, even, complete, cube or tube.

Next week is Local History Week. Our plan is to walk over the M25 bridge and down Liberty Lane to an old house called Sayes Court Lodge. Children will be looking at photographs taken in the 1800's and early 1900's and my plan is to capture a photograph of the children in the same location to compare images from "then and now".

Star learner

Florence for writing good instructions on how to plant her marigold seed. Well done **Florence**.

REMINDERS

- ✓ Full PE kit permanently in class for multi-skills session (bat and ball skills/skipping)
- ✓ All children to have a water bottle every day
- ✓ Swimming to take place on Wednesday mornings
- ✓ Ongar's 50th Picnic at school - 25th May 2019

Many thanks,
Mrs Marwick
