

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

17<sup>th</sup> November 2017

## Our Learning Journey

We have had an amazing week practising our songs for the Twinkly Treetop Tale production. Cedric's diary has been filled with interesting details of what he gets up to with the children in the afternoon. You may take photo's of Cedric if you wish and put them in the diary too.

We are reading the story of Hansel and Gretel. The children have acted out scenes so that we can get to grips with the sequence of the story in preparation for writing a recount. In maths, we have been using our number lines to find one more than and one less than.

## Focus on Learning

Our current phase in the phonics programme is intense as we have already been introduced to ay; oy; ie; ea and ou. We will continue to revisit these sounds. In handwriting we will be practising "m" and "n". Our role play house has been "renovated" to the witches house in Hansel and Gretel. We hope to squeeze in some baking of gingerbread men next week as part of this theme.

### Star Learner!

Our star learner this week is **Moni**.

We are all so pleased to hear her say words out loud. She has managed to join in with all our Nativity songs and we are delighted with her progress in settling in school.

Amazing progress **Moni** - well done.

### REMINDERS

- ✓ Please can costumes for the Nativity be in by Friday the 24<sup>th</sup> **November 2017**
- ✓ Children with words in our Nativity need to keep practising. Thank you.
- ✓ To calm my nerves, please may I ask that money for the Christmas shopping event is marked up carefully with the correct amount and **who the presents are for**

Many thanks,  
Mrs Marwick
