

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

22nd September 2017

Our Learning Journey

We have had another busy week with practising our songs for the Harvest Assembly and making our autumn hats. The children have found out who the Headboy and Headgirl are and they have voted for their house captains. The children are reading regularly during class and we have enjoyed some Julia Donaldson books in our afternoon shared reading programme. The Book Club also started this week which is held on Wednesdays at 12.30 pm in the library.

Focus on Learning

We will continue to revisit all our sounds and continue to practise our handwriting skills. We have been reading "The Three Little Pigs" and will start to compose our own sentences. In Maths, we will continue to read and write number names and form numerals correctly up to 20 and look at estimating.

On Monday, we will be taking part in the European Day of Languages. Our chosen language is Bulgarian and the children will paint flags, try some traditional folk dancing and search for Bulgaria on the map using Googlemaps on the interactive Smart Board.

Star Learner!

The Star Learner this week is **Isabelle** who has written a neat sentence in her phonics book.

Keep up the neat handwriting Isabelle!

REMINDERS

- ✓ Swimming kit to be in on Thursdays.
- ✓ Full PE kit permanently in class
 - ✓ PE is on Monday and Friday
- ✓ Harvest Assembly at St Paul's Church on Tuesday at 9.30 am

Many thanks,
Mrs Marwick
