

Ongar Place Primary School, Addlestone, Surrey 01932 842785

23<sup>rd</sup> May 2017

Wow, we've had an active week! We've loved all the sports and wellbeing activities around our classroom lessons - it has been good to work in the shade with a breeze to cool us down!

## Our Learning Journey

We are beginning to pull all our topic knowledge into some fact books. We've also started learning about the story of Mulan in China.

We were so hot we decided to make some chinese flower blossom inspired art!

And of course, there was sports day!

On top of all the outside learning and activities this week... We had a great time bouncing for charity! Thank you for your sponsorship...

★ **Star learner this week is...**

**Anthony!**

Anthony has shown great concentration in all his learning inside and outside the classroom this week, despite the heat!

**Well done Anthony!**

**Reminders**

**Home learning**

Is back in the books this week!

*Many thanks,  
Mrs MacCormack*
