

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

23th September 2016

Wow, what a lot of wellbeing we have had this week! We've had visits from the PDSA, Guide Dogs for the Blind and Pete the Poet amongst many others! The children have learnt about wellbeing from mind and body to the world and those around us.

Our Learning Journey

Pete the Poet taught us about acceptance of others and how we can build friendships and help each other. We thought about what the different animals could teach each other.

The Guide Dogs for the Blind also came in to see us, we learnt about how important the training is for this job...

We buddied up with year 4, shared some of our favourite games and spent some time together!

Mrs MacCormack has been exposed to our cooking as we revealed our amazing talent in the kitchen! We are hoping we have more opportunities like this as we had such a fab time making our muffin pizzas...

We also spent some time in the Relaxation Room. We learnt how to relax our minds and bodies using different techniques like thinking about our breathing and our muscles!

Star learner this week is...

Orton

Orton has been a great example of how to reflect and take our time. He showed this through his pet diary when thought hard about what is important when we take care of animals.

Well done Orton!

Reminders to Families

We will be going on a learning walk (in the local area) on the afternoon of Wednesday 5th October. If you are interested in helping out please let me know.

*Many thanks,
Mrs MacCormack*
