Summer 1 Week 5

## Our Learning Journey

Local History week has been super! We started by looking at images of an old listed building called Sayes Court Lodge. Children wrote some questions that they had about this building. We looked on Googlemaps to see the route we needed to walk from school and discovered that we would need to cross the M25 so, we looked at old images of when the M25 was built. We then wrote about our walk in our journals and painted our AddleSTONES.

Our whole school outings took place on the 23rd May 2019 and it sounds like everyone had a good time.

## Focus on Learning

During phonics, we are still looking at texts together and identifying the different sounds. We are thinking of all the different ways we can write the same sound. Recent assessments show that some children need to practise sounding out words with split diagraphs: cake, made, bone, kite, even, complete, cube or tube.

Have a super break over the next week - hope this beautiful weather holds!

## Star learners

**Mirabelle, Alice S and Mia** for their super watercolour paintings of an owl. Well done girls. There are more images on the website.
