

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

27th April 2018

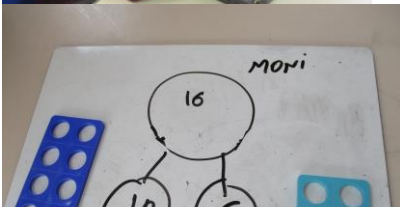

Our Learning Journey

We have continued to enjoy the warm weather by ensuring that children are actively engaging in phonics outdoors.

We have used our ipads this week to learn about the World Wide Web and we have been discussing terms like "hyperlink" and "search engine" whilst children have been trying to find answers to given questions. We have also used laptops for the first time and they have had an opportunity to play BBC Keyboard Dance Mat to help them with their keyboard skills.

In RE, children have been investigating Judaism and have looked at the Torah. They have enjoyed a lovely swim in our pool and continue to investigate the growing tadpoles in our class. Apparently the nursery rhymes I planned for them were too babyish (eekkk - growing up too quickly!) so we have moved on to some longer and more exciting poems which we are analysing in depth by finding nouns, rhyming words and adjectives.

Focus on Learning

We will be engaging in many cross-curricular activities next week as we are looking at healthy eating and what we need in order to grow. We will also be planning a healthy "High Tea" for Prince Harry's wedding celebrations and writing our invitations. During computing and history, we will be investigating the Queen by looking through information books and writing down as many questions that we have about her. We will then use our ipads to find the answers.

In maths, we are adding and subtracting. We are also doing calculations with missing numbers.

Star Learner!

Sofia G for her insightful comments during PSHE about what we need in order to grow. Well done **Sofia**.
