Summer 2 Week 4

Our Learning Journey

LIGHTS ! CAMERA ! ACTION!

Our Year 1 Assembly was a huge success - well done to every single child for auditioning, practising their lines, painting the props, contributing their ideas and participating so whole-heartedly on the day.

Children have also been swimming this week, they have had PE outdoors with Mr Seuke where they were learning about all the different types of jumps we can use such as: leaping from one foot to the other or jumping from two feet onto two feet.

We have also used our ipads again to record and document them using their "positional" language.

Focus on Learning

We will continue to read daily so please ensure Reading Record Books are in class each day. Thank you.

Children will have three days in Year 2 next week where they will meet their new teacher and have opportunities to look at their new classroom and ask questions about the year ahead.

This is a very exciting time for them and the whole event should be treated positively as this class are more than ready for their next adventure!

Star learners

The WHOLE of Cedar Class were amazing during their performance. Well done! Very proud of you all.
