

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

30th November 2018  
Autumn 2 Week 5

## Our Learning Journey

In English, we have looked at the format for writing a recipe and children have written their own recipe for the Gingerbread Man baking session. We also designed a Gingerbread Man and baked all morning in our school kitchen on Thursday.

In Maths, we have been practising using our number lines. We can use them to hop along the line to help us add two numbers together. We have represented numbers using various resources and looked at place value again using an abacus.

## Focus on Learning

We will begin Phase 4 of our phonics programme and we will continue to practise our handwriting. Children will be discussing the main character in the story "The Gingerbread Man" and they will describe him using some adjectives.

We will do a science experiment involving mixing primary colours. Children will make predictions and record their findings. We will also try to complete an art installation for our cloakroom to complement our learning during science.

### Star Learner!

**Florence** who has managed to deliver her lines clearly and loudly in our rehearsals for the nativity. Well done **Florence**.

### REMINDERS

- ✓ Full PE kit permanently in class for dance
- ✓ All children to have a water bottle every day
- ✓ Nativity production will take place on 6<sup>th</sup> and 7<sup>th</sup> December 2018 at 2:15 pm in the Hall

Many thanks,  
Mrs Marwick
