

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

31<sup>st</sup> March 2017

Thank you to all parents and children for your support this term. The children have had a great time learning about healthy eating, bodies and how to prepare for parties!

## Our Learning Journey

We have had a week jam packed with tigers in all shapes and forms! We have planned and made our own food for the tiger tea party...

We have learnt we can draw almost anything, including tigers, if we follow instructions in sequence...

We also know that emotions trigger feelings in our body. We thought about courage and bravery (like tigers!) and fear and anger.

We had a break from the Tiger Tea Party preparation in order to embrace the windy weather to make our own kites...

And of course, we held our very own tea party for The Tiger that came to Tea! We hope our special guest enjoyed it and we are sorry we couldn't fit more of you in the classroom. We will tell you all about it if you ask us ☺

## Star learner this week is...

**Anthony!**

You've shown us all how to love learning this week... from your love of phonics and sounding out new words beautifully, to your enthusiasm about all things Tiger!

**Well done Anthony!**

## Reminders

### Tea Party:

Thank you to all guests who made time to come in for the tea party. The children really appreciated having some time to spend with you! Thank you also to our helpers!

### Swimming:

Swimming letters have gone home. If your child is swimming next term these need to be signed and returned.

Many thanks,  
Mrs MacCormack
