

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

1st February 2019

Learning Journey

In English we have been reading 'The Diary of a Wombat'. It is a very funny recount of a wombat's week. We have learned about writing in the past tense to show something has already happened and using the first person.

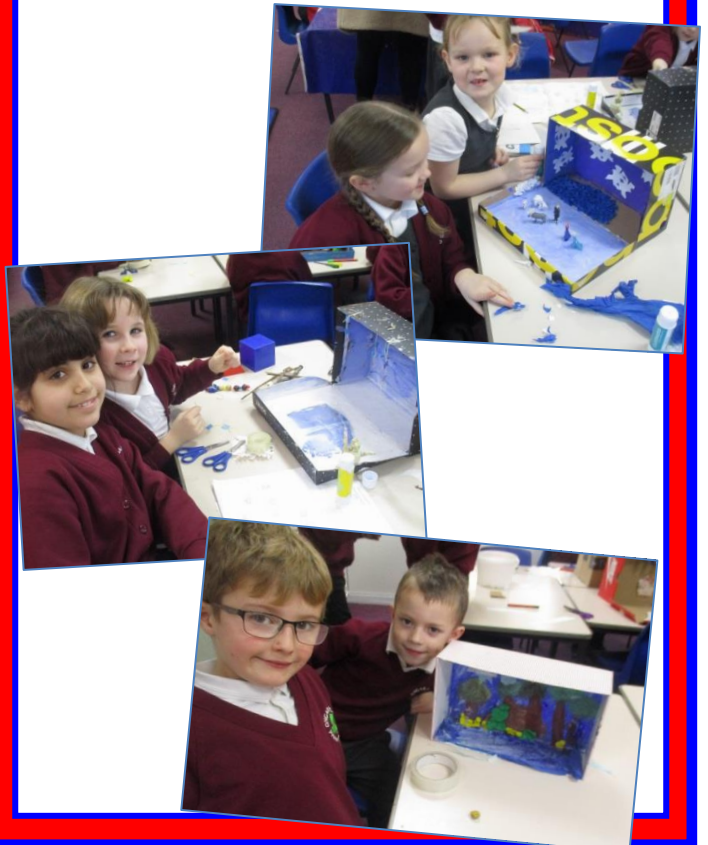

In Maths we have been investigating the properties of 3D shapes and sorting them according to these. We have also made our own 3D shapes by folding and sticking nets.

Star Learners

Well done to Mia and Emily for demonstrating fantastic teamwork planning and creating your 'Frozen' small world.

Our frozen small worlds are finished and look great! We are looking forward to using them as the setting for our stop animations next week.

Information for Families

Parents evenings - Tuesday 26th February
and Thursday 28th February

Birdworld trip- Friday 15th March
