

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

1st March 2019

Learning Journey

This week we have continued to think about traditional tales. We have used the features we learnt about last half term to plan and write our own stories. We have been trying very hard to check our writing carefully as we work.

In Maths we have been using our times tables to solve multiplication calculations. This will really help us next week when we begin to look at the linked division facts.

There have been some fantastic projects arriving in school and we have really enjoyed learning from each other. We are so impressed with the high standard of projects and the amount of effort that has gone into them. Everyone has presented their learning to the class confidently, helping to develop our speaking and listening skills too.

Star Learners

Well done Blake for quick and accurate recall of all your 2, 5 and 10 times tables.

We are looking forward to celebrating World Book Day next Friday. We are able to bring in a favourite book from home and dress up as one of our favourite characters. If any more parents would like to bring in a favourite story to read to some of the children we would love to have you.

Information for Families

It was lovely to meet with you all this week at parents' evening.

Friday 8th March - World Book Day

Friday 15th March - Birdworld trip

Wednesday 20th March - Year 2 assembly at 9.15am

Friday 22nd March - Mrs Masey's last day
