

Year Two Learning Letter

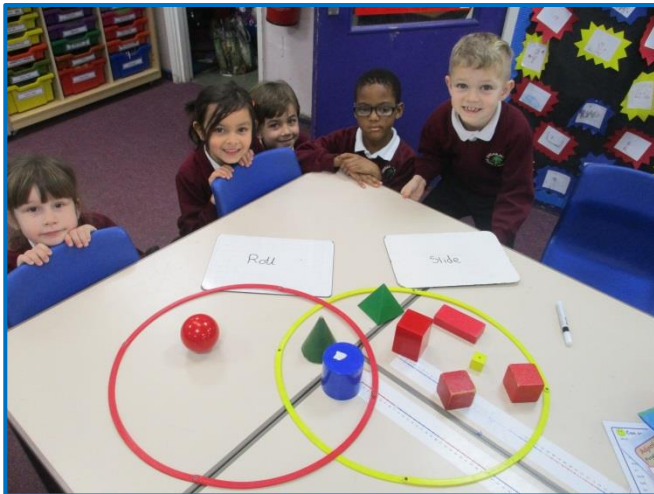

Ongar Place Primary School, Addlestone, Surrey 01932 842785

2nd February 2018

Learning Journey

In English we took inspiration from 'The Diary of a Wombat' story that we have been reading to write recounts of other animals' days. We used the internet and books to research what the animals days would be like.

In Maths we have been investigating the properties of 3D shapes and sorting them according to these.

Our frozen small worlds are finished and look fab! We are looking forward to using them as the setting for our stop animations next week.

Information for Families

We look forward to meeting with you at the Parents evenings on Tuesday 20th February and Thursday 22nd February.

Star Learners

Well done to Maya and Millie for demonstrating fantastic teamwork planning and creating your 'Frozen' small world.

We were so excited to hear about the early arrival of Mollie Anne Cheney this week. Mum and baby are doing very well.
