

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

3rd March 2017

Learning Journey

We loved celebrating World Book Day this week. Our class story was *George's Marvellous Medicine* and we enjoyed listening to the story and doing lots of learning linked to it. We story-mapped the story, wrote instructions for our own marvellous medicines, used watercolours to paint illustrations and took part in a costume catwalk.

Star Learners

Well done to all of Year 2 for your fantastic book day costumes. We were so impressed with the effort that you put it.

Next week we will begin rehearsals for our class assembly.

In English we will be starting some new learning about information texts. We will use everything we have learned about *Frozen* places to help us.

Information for Families

Rowan Class assembly
Wednesday 15th March
9.15am
