

# Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

8<sup>th</sup> June 2018

## Learning Journey

In English we have been learning about the author Anthony Browne. We have read some of his books and discussed which features we liked. We especially enjoyed the detail he uses in his illustrations.

In Maths we have collected data and used this to create our own bar charts. We then devised questions for our friends to answer using the bar charts. It was very important to present our work carefully so that the information was clear.

We looked at pictures of St Paul's Cathedral which burned down in the Great Fire of London and had to be rebuilt. We had great fun using clay to create artefacts that could go into the new cathedral.

## Star Learners

Well done Justin for sorting sentences into past and present tense and explaining so clearly which words helped you to know the tense.

## Next Week

We are going to be creating 3D models of St Pauls Cathedral using recycled materials. We would be grateful for any donations of cardboard boxes or tubes - no plastic please.

## Focus on Values

Our value this half term is **Friendship**. In class we have been thinking about what qualities a good friend has.

## Information for Families

Friday 15<sup>th</sup> June - Dance-a-thon  
Friday 29<sup>th</sup> June - Trip to the Look Out centre
