Learning Journey

Star Learners

Well done to all of Year 2  
for your fantastic  
performances in the  
nativity.

Next Week

We are so excited for the pantomime  
next week. We will be reading the story  
of Cinderella before we go and we will  
link our English learning to it.

We will be finishing our science learning  
about materials and learning about a  
real-life superhero in history.

Information for Families

Thank you for coming to watch our  
nativity and for all your support in  
practising lines and preparing costumes.  
We hope you enjoyed it!
