10th March 2017

Learning Journey

We have had a great week! Rehearsals for our class assembly are going well and we can't wait to share it with you on Wednesday.

We made the most of the sunshine this week and had fun practising some skills in PE for our Interhouse competition next week. We were jumping, running and working as a part of a team and are ready to represent our houses.

In our computing learning we have been making our own stop motion films. We made characters out of plasticine and then moved them around our small worlds, taking a photo each time. When we put the photos together on the iPads they moved and made films!

Star Learners

Well done Harrison and Grace who were fantastic team players in PE. They worked hard for their teams in all of the games we played.

Next Week

Next week in English we will be continuing our new learning about non-fiction books. We will use our theme learning to write interesting facts about Frozen places.

Information for Families

Thank you for all the support you gave children in completing their Frozen projects. They are fantastic and we are enjoying sharing them in class.

Wednesday 15th 9.15am
Class assembly

Wednesday 15th pm
KS1 Interhouse competition
Please can children bring a tee-shirt in their house colour to school.
