

# Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

11<sup>th</sup> January 2019

## Learning Journey

This week we have made a fantastic start to our new 'Frozen' topic.

In English we have been using adjectives and similes to describe the setting of Arendelle, where the film 'Frozen' is based.

In Maths we have been using coins to make different amounts of money and beginning to learn how to give change.

In our topic learning we used maps to learn about the Arctic Circle. We learnt that the scene of Arendelle was set in Norway and we were able to find it on a map. Part of Norway is in the Arctic Circle and we found other countries that are partly in the Arctic Circle too. We are excited to learn more about the Arctic as we continue our frozen topic.

## Information for Families

Welcome back! We hope you all had a lovely break.

Please ensure your child has a named PE kit, including trainers or plimsolls, in school so that they are able to join in lessons fully.

Please also continue to share books and stories regularly with your child and record in the reading record. These can be the scheme reading books from school, library books or books from home. We will be carrying out regular assessments throughout this term.

## Star Learners

Esther used the money well to make different amounts using the fewest notes and coins possible.

In PE this term we are working with Mr Seuke from Planet Soccer. He visited us on Wednesday and worked with us on developing our throwing and catching skills. We enjoyed thinking about how we could challenge ourselves to improve and throw our beanbag in different ways.
