

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

11th May 2018

Learning Journey

This week in English we have planned and begun writing our own quest stories using interesting and exciting vocabulary.

In maths we have been revising methods for solving addition and subtraction calculations. We have practised drawing our own number lines and then jumping in 10s and 1s either forwards or backwards to find the answers to questions.

We had to be careful when we looked at the Qur'an in RE. This is a very special book for Muslims and to show respect, we washed our hands before we touched it.

We are really enjoying our learning about the Great Fire of London. We have been finding out all about it from different sources and have written newspaper reports describing what happened.

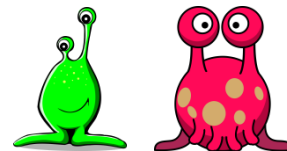

Star Learners

Well done Millie for writing a super quest story in English. You used your imagination to write about the journey your characters went on and the obstacles they faced.

Next Week

In English we will be reading the poem 'Aliens Stole My Underpants' to start our learning about humorous poems.

We will be making observations of our bean seeds in Science.

Information for Families

Friday 25th May - Mufti day

Friday 29th June - Year 2 visit to The Look Out Discovery Centre
