

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

12th January 2018

Learning Journey

This week we have made a fantastic start to our new 'Frozen' topic.

In English we have been using adjectives and similes to describe the setting of Arendelle, where the film 'Frozen' is based.

In Maths we have been using coins to make different amounts of money and beginning to learn how to give change.

In our topic learning we used maps to learn about the Arctic Circle. We learnt that the scene of Arendelle was set in Norway and we were able to find it on a map. Part of Norway is in the Arctic Circle and we found other countries that are partly in the Arctic Circle too. We are excited to learn more about the Arctic as we continue our frozen topic.

Focus on Values

This half term our value is Respect. We have discussed some of the ways we show respect and made a class display about how we can grow respect.

Star Learners

Well done Mia for using some super similes in your writing. You have also taken real care with your presentation, using joined up handwriting.

Next week we will continue our learning about fantasy stories in English as we write some stories of our own.

We are also looking forwards to investigating freezing and melting during our Science days.

Information for Families

We are going to be creating some miniature frozen worlds as part of our topic learning. If you have any old shoeboxes that you no longer need, we would be very grateful for them.
