Our Learning Journey

We have enjoyed trying even more new things during our second Healthy Living Sports week. We are going to try to remember ways to stay healthy and carry on doing some of the new activities we have discovered. This week we have played Foot-pool, taken part in a skipping workshop, played indoor games, found out why it's important to wash our hands and prepared and tasted different fruits and vegetables.

Star Learner

Well done to Orton for showing such focus when playing Foot-pool. He thought carefully about the angle he should use and how hard to kick the ball.
