

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

14th June 2019

Learning Journey

In English this week, we have read the book 'Gorilla' by Anthony Browne. We then used the text to help us structure our own stories about a toy that comes to life.

We enjoyed sharing some of the e-books that children in Year 4 have been working on. They brought them to show us and read some of the stories to us.

We have all now taken a STAR reading test on the iPad and as we finish our reading books we can take a quiz about each one. These help us to earn points and we are very excited to gain enough points for a prize.

Star Learner

Well done William for contributing confidently to our circle time discussions this week.

Next Week

Next week is 'Aspirations week'. We will be thinking about our hopes for the future and what we can do to achieve these.

We will learn about different jobs and the skills needed to do them.

If any parents would like to come in to talk to the children about their job, please come and speak to one of us.

Information for Families

Please make sure all children have a full PE kit in school including trainers or plimsolls so that they are able to join in with PE lessons. Our lessons will usually be outside now that the weather will hopefully start to become warmer and drier.
