

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

14th October 2016

Learning Journey

This week in English we have been reading the story 'Traction Man is here' and thinking about different settings in stories. We have planned some exciting new adventures for Traction Man to go on and written our own stories.

In Maths we have been using number bonds to add and subtract more difficult numbers. We are becoming very good at spotting patterns in calculations.

In Science we have explored how we can keep our hearts healthy by taking regular exercise. We measured our pulse before and after exercise. We are all going to aim to be active whenever we are able to and we talked about ways we could do this.

In music this week we have been learning to play the djembe drums. We used the syllables in our names to create different rhythms.

Star Learner

Our star learner this week is James for trying really hard in spelling sessions, identifying and writing homophones correctly.

Well done James!

We have been busy practising songs, learning our poem and making fruit based headbands ready for our Harvest assembly today.

Information for Families

Parent evenings are on Tuesday and Thursday next week. Please sign up for an appointment.

We break up for the half term on Friday 21st October. Monday 31st October is an INSET day and children return to school on Tuesday 1st November.
