

# Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

15<sup>th</sup> February 2018

## Learning Journey

This week we used our 'Frozen' small worlds to create our own stop animations. After planning our story, we took a series of photographs on iPads. We then used an animation app to play them in order, creating our own animations. Our teachers were especially pleased with the way we worked together and helped each other to solve problems.

This week Mr Seuke came to see some of the games we had been working on this half term. He was very impressed with how our throwing and catching skills have progressed.

We are very sad to say goodbye to Miss Heron for half a term as she goes to experience life in a different school. We will miss her a lot but are excited to welcome Mrs Dar who will be working with us until Easter. Miss Heron will be back with us after Easter.

## Star Learner

Esther showed some fantastic throwing and catching skills in PE this week.

She kept on challenging herself to improve too!

## Reading

We have lots of exciting reading activities happening over the next few weeks. When we return from the half term break we will be having our Book Fair. Children can complete the Book quiz and return it by Tuesday 26<sup>th</sup> February for a chance to win £5 to spend at the fair.

On Friday 8<sup>th</sup> March we are celebrating World Book Day. Children can dress up as their favourite character and we would love to have some parents come into class to read their favourite story to the children. Let us know if you would be interested.

If any parents are available to come in and read with children on a regular basis, please come and speak us.

## Information for Families

We look forward to seeing you at Parents evening on Tuesday 26<sup>th</sup> February or Thursday 28<sup>th</sup> February.

Have a great half term break.
