

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

16th November 2018

Learning Journey

It was lovely to welcome so many grown up visitors into class on Monday. Hopefully you found it interesting to find out about some of the things we learn at school.

In English this week we have been using repetition and patterns to help us write some of our own poems. We even used noun phrases to make them more interesting.

In Maths we have been creating and answering questions about pictograms. We have started to use scaled pictograms where one picture represents more than one thing.

In PE we enjoyed planning a new dance all about celebrations. We need to work as a team to plan and practise the different parts.

Star Learner

Well done Arthur for looking for ways to improve his handwriting and presentation.

Rehearsals for our Christmas Nativity are underway and going well. Please send your child's costume for the Nativity into school by Friday 23rd November. If you have any problems with this, please come and speak to one of us.

Information for Families

Monday 19th November - Sports Leadership programme

Thursday 6th December and Friday 7th December - Nativity

Friday 14th December - Panto

Tuesday 18th December - Christmas Lunch
