

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

17th March 2017

Learning Journey

We are all so proud of how well the children performed their assembly on Wednesday. We thought they did a fantastic job and we hope you enjoyed it.

Wednesday was such a fun day as after our assembly, in the afternoon, all the children took part in the interhouse competition. It was lovely to be out in the sun enjoying different multiskill games; everyone did so well and tried their best for their houses.

In English this week we have been using the internet to look for information about different arctic animals. It was quite tricky looking through so much information but we were able to find interesting facts and write our own animal fact files.

In maths we used what we have learnt about fractions to complete an investigation.

Star Learners

Well done Year 2, you all spoke clearly and sang beautifully in your assembly.

Next Week

In English we will be writing our Arctic non-fiction texts.

We will be baking some Norwegian cookies as part of our Frozen learning.

Information for Families

Thank you for coming to watch our assembly!

Friday 24th March am
Year 2 Pedals training
