

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

19th May 2017

Learning Journey

We have continued our learning about growing in Science by planting cress. Our beans are starting to grow and we will be watching our cress carefully to see if that grows too.

In English we have been reading the poem 'Aliens Stole My Underpants'. We learnt the poem in groups and were able to recite it to the class. We used the poem to write our own funny alien poems; thinking of funny ways aliens could use everyday objects.

We became newspaper reporters on Thursday afternoon when we wrote our own reports about the Great Fire of London. We wrote about what we could see, hear, smell and feel and we really enjoyed designing our newspapers.

Star Learners

Well done Luke for trying so hard on your maths SATs papers this week.

Maisie you worked so hard on your reading paper, you kept going right to the end, well done!

Next Week

In English we will be reading more funny poems.

In maths we will be working in small groups on our own data handling projects.

Information for Families

There have been quite a few children without PE this week and last. Please ensure children have their kit, including trainers or plimsolls that fit, in school on a Monday.
