

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

21st June 2019

Aspirations Week

This week we have been thinking about our hopes for the future. We have talked about our special talents as well as the things we enjoy. We have learned about a variety of different jobs and the skills that would be needed to do them.

On Monday the children in Year 6 helped us to complete a challenge to name jobs beginning with every letter of the alphabet.

In our Primary Robins session, Ellie told us about her career as a musician. She then taught us a new song, Penny Lane, which mentions lots of different jobs in the lyrics.

Information for Families

Monday 1st July - Wednesday 3rd July
Transition Mornings

Saturday 6th July
School Fair

Star Learner

Well done Harry for using some great vocabulary to describe a dentist. Especially difficult when you're not allowed to use the word 'teeth'!

This week, we had a visit from Alex and Zoe who work for the bakery Warburton's. They told us about the different jobs people might do at Warburton's and showed us how the bread we see in shops is produced. We also talked about healthy eating and hygiene and we all made our own healthy sandwiches, wearing hairnets and aprons like we would if we worked in a bakery.
