

# Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

21st October 2016

## Learning Journey

This week in English we have been creating superhero comic strips including speech bubbles and captions. We have also begun to explore the different types of sentences - statements, commands, exclamations and questions.

In Maths we have been practising adding and subtracting 10 to any 2-digit number. We have looked for patterns in the answers and used number squares to help us.

In Science we have been thinking about the different food groups and how they help to keep us healthy. We designed packed lunches with the correct balance of vegetables, carbohydrates, proteins, fruit and snacks.

## Star Learner

Our Star Learner this week is Kai R for adding 20, 30, 40 and 50 to 2 digit numbers.

Well done Kai!

Painting the background for our comic strip pictures in Art.

## Information for Families

Monday 31<sup>st</sup> October is an INSET day, children return to school on Tuesday 1<sup>st</sup> November.

Monday 17<sup>th</sup> November - Pizza Express visit (more details to follow)

Have a great half term break.
