Learning Journey

This week we have been busy completing some assessments. The children all tried very hard and have done really well.

We have still found time for lots of fun learning and enjoyed the visit from the theatre company on Wednesday when we watched... We thought it was fantastic!

On Thursday afternoon we got arty and created some frozen collages, we will be sad when our Frozen topic finishes next week.

We had so much fun doing our Pedals training on Friday morning. Take a look at what we did...

Star Learners

Well done Max you have done some fantastic maths learning this week.

Well done Molly, your arctic collage is beautiful.

Next Week

We will be baking some Norwegian cookies to end our Frozen learning. We can't wait to taste them whilst we watch the Frozen movie.
