

# Year Two Learning Letter

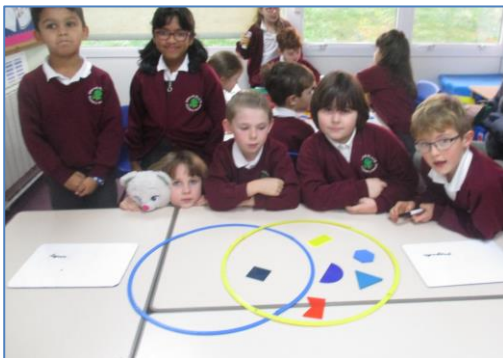

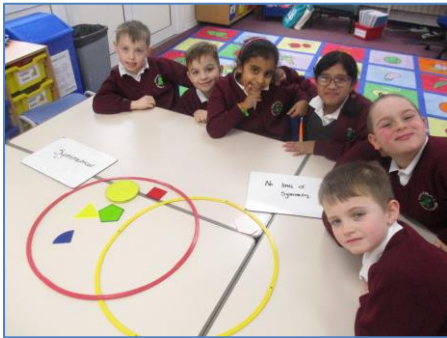

Ongar Place Primary School, Addlestone, Surrey 01932 842785

25<sup>th</sup> January 2019

## Learning Journey

In maths we have been busy learning all about 2D shapes; naming shapes, listing properties, sorting shapes and drawing with shapes! We enjoyed using tessellating shapes to design patterns.

In English we planned and wrote our own fantasy stories. We used some of the ideas from the stories we read in class and thought carefully about the characters and settings we would include.

In Art we used collage to create Arctic landscapes. We used the painted patterns we created last week and thought carefully about which colours worked well together.

## Star Learners

Well done Isabelle for writing a fantastic fantasy story with exciting and effective vocabulary.

Next week we will be reading some recounts. We will look at how these are sequenced and the type of vocabulary used.

In Maths we will be exploring the properties of 3D shapes.

## Information for Families

Thank you for the shoe box donations. We still need a few more, if you have any spare ones at home.

Please make sure children have a PE kit, including trainers or plimsolls, in school for our PE lessons each week. Thank you.
