

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

26th January 2018

Learning Journey

In maths we have been busy learning all about 2D shapes; naming shapes, listing properties, sorting shapes and drawing with shapes! We enjoyed using tessellating shapes to design patterns.

We have been reading 'Diary of a Wombat' in English. We used the story to practise writing long sentences that include conjunctions.

In Art we used collage to create Arctic landscapes. We looked carefully at pictures of the Arctic and talked about how the colours changed with the different seasons.

Star Learners

Well done to Lucas for remembering to join up his handwriting this week.

Keep up the great work Lucas!

Next week we will be using time words to help us structure our recounts and make sure they are in chronological order.

In Maths we will be exploring the properties of 3D shapes.

Information for Families

Thank you for the shoe box donations. We now have enough and have begun to make our 'Frozen' small worlds.
