

# Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

27<sup>th</sup> April 2018

## Learning Journey

In English this week, Rowan class have been writing their own quest stories based on 'We're in the Wrong Book', by Richard Byrne. We have thought about different sorts of book and how our heroes, Ben and Bella, might find their way back to their own story. The children really enjoyed thinking about how they might make their stories interesting, describing settings and characters with noun phrases and powerful vocabulary.

In Maths we have been continuing to learn to tell the time. We are now telling the time to five minute intervals now and gaining a much clearer idea of what time we do different things each day.

We were very pleased that despite much cooler weather this week, the sun came out for our swimming lessons on Wednesday.

## Star Learners

Poppy, Laila and Shyanne worked together to come up with some fantastic ideas about the different types of books the characters in their story might find themselves trapped in.

## Information for Families

Children in Year 2 will be taking their SATs assessments throughout May. We aim to keep these very low-key for the children, so as not to worry them. They may talk about 'special work' they have done at school. You can help your children at home by continuing to read and talk about books together. Practising 2, 5 and 10 times tables and using number bonds is also useful.

If you have any questions or concerns, please do come and speak to one of us.
