

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

28th June 2019

Learning Journey

It has been another very busy week in Year 2 and as always, we have all been working hard.

In Maths we have been exploring capacity. We compared different containers and carried out investigations to find out which containers would hold the most water. Luckily the beautiful weather meant we were able to do this outside.

In English this week we have planned and made our own mini-books based on 'The Night Shimmy' by Anthony Browne. We created and described the characters before deciding on the events and sequencing them in books we carefully folded ourselves.

Following our visit from Warburtons bakery last week, we have been designing our own flavoured breads in DT. We thought about which flavours we would like to add to our own creations and how we would package them in the shops.

Star Learner

Well done Isaac for using phrases to engage the reader when writing your story this week.

Next Week

Next week we will be spending some mornings in our new Year 3 class. This will be a good opportunity to meet the new adults we will be working with and find out about some of the new things we will be learning next year. It will also be a time to ask any questions we might have.

Information for Families

Monday 1st July - Wednesday 3rd July
Transition Days

Saturday 6th July
PTFA Summer fair

This weekend is due to be very hot, we have talked in class about the importance of wearing sun cream and a hat to stay protected. Please help your child to remember this if playing outside.
