

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

29th March 2019

Learning Journey

This week we have been busy completing some assessments in. The children all tried very hard and have done really well.

In Geography this week we talked about how the world is made up different countries within seven continents. We used maps to locate where the United Kingdom is in relation to other countries and whereabouts in the UK Addlestone is.

In Music we have begun learning the songs we will be performing on our '50 years of Ongar' CD.

In our DT lessons we have been investigating using levers and sliders to create moving pictures. Next week, we are going to incorporate a moving image into the Easter cards we have designed this week.

Star Learners

Well done Ella K for being able to name and identify the features of an instruction text in English.

Next Week

We will be baking some Norwegian cookies to end our Frozen learning.

We are also planning to watch 'Frozen'. This film does have a PG rating and if anyone has any concerns about their child watching this, please come and speak to one of us.
