

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

30th June 2017

Learning Journey

It has been another very busy week in Year 2 and as always, we have all been working hard.

In English we used a range of different objects to inspire us to plan and write our own stories. We thought about special 'powers' our objects could have to make our writing exciting for the reader. Before we began writing, we used role play to rehearse our stories in groups.

In Maths we have used different strategies to help us double and halve different numbers. We have investigated the relationship with fractions and dividing.

In Music, we have been learning about basic notation. We all wrote our own rhythms and practised clapping them. Next week we are going to write our own tunes and have a go at playing them on the glockenspiels.

Star Learners

Well done to Lola and Lilly-Rose for producing detailed sketches of St. Paul's cathedral using charcoal.

Next Week

Next week we will be spending some mornings in our new Year 3 class. This will be a good opportunity to meet the new adults we will be working with and find out about some of the new things we will be learning next year. It will also be a time to ask any questions we might have.

Information for Families

Our Summer fair is tomorrow, it will be lovely to see you there.

If your child has brought home a letter about the multi-skills festival, please return the slip as soon as possible. Thank you.
