

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

30th September 2016

Learning Journey

In English we have been writing our own stories about superheroes. We have been trying hard to use conjunctions like 'but', 'because', 'when' and 'so' in our writing.

In Maths we have been partitioning two digit numbers into tens and ones. We have used our knowledge of place value to help us add and subtract.

In Science we have been investigating different animals and their young. We have discovered that some animals are similar to their young whilst others look very different.

On Thursday we walked to the Eileen Tozer Centre in Addlestone. We sang three songs and all of the visitors thought we were fantastic. Afterwards we had a biscuit and met the mayor.

Star Learners

Our star learners this week are Kamran and Findlay for identifying and naming young animals.

Well done!

Congratulations to Emma and Luke who have been voted Year 2's school councillors for this year.

Information for Families

On Tuesday we had our first library session. We spent time in the library enjoying books together. Each child has chosen a book to share at home. This is in addition to the normal reading book and will hopefully help to develop a love of reading for pleasure in the children. Please make sure the children have their library books in school each Tuesday.
