

Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

6th January 2017

Learning Journey

This week we have made a fantastic start to our new 'Frozen' topic and we have already transformed our book corner into a winter wonderland.

In English we have been using adjectives and similes to describe the setting of Arendelle, where the film 'Frozen' is based.

In Maths we have been using coins to make different amounts of money and beginning to learn how to give change.

In RE we have begun to learn about Judaism and made our own Star of David symbol from art straws.

Focus on Values

This half term our value is Appreciation. We thought about Olaf's idea that 'Some people are worth melting for' and discussed some of the special people who we appreciate. We talked about what they do that we appreciate and how we could show our appreciation.

Star Learners

Well done Ellis for writing some super similes to describe yourself. You thought carefully about how to make your writing interesting.

Thank You

Thank you all so much for the very generous gifts you gave us at the end of last term. We felt very spoilt and they were very much appreciated.

Information for Families

We are going to be creating some miniature frozen worlds as part of our topic learning. If you have any old shoeboxes that you no longer need, we would be very grateful for them.

Please send in any entries for the School Council Christmas holiday drawing competition by Friday 13th January.
