

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 19
1st March 2019

Our Learning Journey

We enjoyed taking part in mock trials for Jack, from Jack and the Beanstalk and the Wolf, from Little Red Riding Hood. Sadly, both characters were found guilty and sent to prison. We then used this activity to write up a newspaper report.

We have been using the grid method to answer multiplication of TU x U and found that our x10 table needed to be used.

We continued to play Monopoly with Angela too.

We used paint to mix colour and found that black turned the colour darker and white turned the colour lighter. We were introduced to the art terms of shade and tint.

Focus on Learning

Next week we will focus on the features used for instructions.

We will continue to use our times table knowledge to support the grid method for multiplication.

We are looking forward to celebrating World Book day on Friday 8th March. The children can dress up as their favourite book character and bring in a favourite book.

Star Learners

Well Done to Shyanne and Susan who both read with expression and speed, self correcting when they needed to.

Reminders to Families

Please can all children bring their reading books and records every day. They are checked every morning.

Parents are invited to read with the children between 9.10 and 9.40am. If you are able to do this, please let the office know.

Thank you.
