

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

2nd November 2018

Our Learning Journey

This week in English we have been learning different techniques for performing poetry. At the beginning of the week, Mr Good read us a poem but he wasn't very good at it and the poem sounded really boring. We have practised using expression, volume, rhythm and rhyme to make sure our performances are much more entertaining.

In Maths we have been exploring fractions. We used fraction strips to help us find fractions of different amounts.

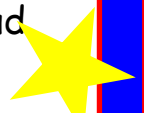

In our music lesson this week, we had great fun playing the ukuleles. We have now learned the 'c' chord and are beginning to play some songs. Our favourite is 'A Sailor went to Sea, Sea, Sea'. We even use dynamics to make it sound more interesting. Mrs Meyer is very impressed with our progress.

Home Learning

For Home Learning this term, children have been given an activity grid to choose from each week. Activities can be done in any order and only one activity needs to be done each week. Children can record their learning in their blue books which will be collected in each Wednesday and returned to children on Friday. Some activities can be completed independently but some will need some adult guidance. Please support your child to choose an appropriate task each week.

Star Learners

Well done to Brandon for performing poems with a loud clear voice.

Information for Families

The children are bringing home their Christmas card designs today. If you would like to order cards, please fill in the order form and return it with payment by Thursday 8th November.

On Friday 16th November, we will be having our Family Learning morning. We would love for parents, grandparents and carers to come into school to share some learning with us. If you would like to come, please return the form so we know how many extra chairs we will need.
