

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785
Issue Number 21
3rd March 2017

Our Learning Journey

We have been learning to explain a unit fraction in relation to shape and have begun to use this information with unit fractions of numbers.

We enjoyed the, "Eye Heroes," workshop and now understand the need for looking after our sight.

In small groups, we completed a large skeleton jigsaw and found that this was not as easy as it sounded.

There were wonderful costumes worn on World Book Day and we enjoyed using the cat walk and striking poses.

Well Done to Daniel, Dillen and Rosie for winning the costume competition in Beech Class.

We created a display for our classroom door that represented, "The Twits." We used this book to create a revolting menu and write a poem that represented, "Anti - Twit Good Thoughts."

Thank you to Mrs. Brewer and Mrs. Newlands for sharing a story with us. We enjoyed them very much.

Focus on Learning

Next week:

We will be identifying and recording vocabulary that is used in Non Fiction text.

Our maths will continue to focus on fractions. We will find answers to simple number relationships.

We will consider how stick figures can support us in drawing people in action.

We will begin to understand the beliefs of the Sikh religion.

Star Learner

Well Done to Ava who has been an enthusiastic learner. She has contributed to class discussions well using expressive language. She particularly enjoyed creating a revolting menu! Mrs Tuttle and I decided that we would not enjoy her meal!!!

Reminders to Families

All children need to bring in their reading books and records everyday. They are checked every morning. When you read with your child, please sign their book.

Thank you to everyone who has brought in their costume. If there is any problem, please let me know.
