

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 8
3rd November 2017

Our Learning Journey

We all had a good holiday and have quickly settled back into school. We have had our first experience of Rugby which we enjoyed. We played 2 games - which helped us to carry the ball in 2 hands whilst running and dodging.

We have used a planner for our own imaginary story and enjoyed choosing our own characters and plot.

We have been using our bonds to 10 and 100 to help us with calculations and would be grateful if you could support in helping us with instant recall of these number facts.

We have considered the hurricane season in Florida. We suggested ways how to be safe for: before, during and after a hurricane.

Painting a hurricane!!

Jake and Lola using I-pads to support their maths learning.

Focus on Learning

Next week:

We will complete our imaginary story and make sure we include noun phrasing.

We will focus on multiplication facts and reinforce our understanding of this operation.

We will be thinking about products and the materials they are made from.

Star Learner-

Well Done to Maisie for planning her imaginary story with detail and her positive approach to learning spelling.

Reminders to Families

This half term, the children will take part in Rugby. They will need an outdoor PE kit with trainers. A hat, spare socks, fleece and joggers will help to keep us warm. A plastic carrier bag for muddy trainers would be very useful too.

All children need to bring in their reading books and records everyday. They will be checked every morning.

Thank You
