

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 25  
4<sup>th</sup> May 2018

## Our Learning Journey:

We have had a busy week and worked hard to put our assembly together. We were very pleased that so many of you could come and support us. We were excited to share our learning with you all and were very happy that our singing, dancing, haka and poem were enjoyed by everyone. Miss Wells, Mrs Matchett and Mrs Denyer were very proud of us.

Putting  
our  
Haka  
style  
moves  
together!

We have been learning to write dialogue for a play and know that speech marks are not needed.

We have thought about the terms of irregular and regular and what this means in relation to shapes.

## Next Week

In Maths we will be describing different types of lines such as parallel and perpendicular.

We will create our own mythical creature and hero.

We will be looking at how stage directions are presented in a play form.

We will be observing Roman and Celtic soldier clothing to consider what this tells us about each army.

## Star Learners-

**Well Done:** to everyone in Beech Class: Your assembly was great and showed how hard you had worked on the songs, information, dance and poem.

## Reminders to Families

Please make sure that your child's reading record is in school. They are checked in every day.

If you can help us, we would appreciate a few empty lemonade bottles to support our puppet making.

Thank you.
