

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 7
4th November 2016

Our Learning Journey

We have enjoyed creating our own Christmas cards and have chosen the one we would like to see as a printed card. We hope you like it.

We have had our first outdoor PE lesson with Mr Edgeley and Mr Knott and we are learning rugby skills.

In Art we practised colour mixing – using primary colours to create secondary colours and using white and black to lighten or darken the colour.

Focus on Learning

We will use our story plan to write our own fantasy story.

In Maths we will begin to use repeated addition for multiplication and practise our tables.

We will consider how perspective is used in sketching.

We will begin a new science topic – Rocks.

Star Learner

Well Done to Alannah who has been working hard in all areas of the curriculum, taking care with her presentation.

Reminders to Families

This half term, the children will be having outdoor PE on Tuesdays - the children will need an outdoor PE kit for this lesson. They will need trainers, socks, jogging bottoms and a warm top. Indoor PE will continue on Friday mornings.

All children need to bring in their reading books and records everyday. They are checked every morning.
