

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

5<sup>th</sup> October 2018

## Our Learning Journey

You may not have had a learning letter but we have been very busy doing lots of exciting things with Mrs Downs, Mr Good and Mrs Brown. We even had a special visit from Mrs Masey!

It has been a fun week in Year 3 with lots of great learning.

In English we have been describing story settings using adventurous vocabulary. We then planned and wrote our own stories with an outer space setting.

In Maths we have been revising our multiplication facts and using these in different ways. We will continue to practise this next week.

We are very excited to have started our new topic 'The Magic Kingdom'. We have located the USA and Florida on a map of the world. We have also learned that Florida is a peninsula which means that it is almost completely surrounded by water but still joined to the mainland.

## Focus on Learning

Next week in English we will continue exploring stories set in imaginary worlds. We will be focusing on the Roald Dahl Book 'The Fantastic Mr Fox'.

In Maths we will be working on multiplication and division facts relating to the 2, 5, 10, 3 and 4 times tables.

## Star Learners

Mia has demonstrated a fantastic attitude to learning this week. Settling quickly to tasks and persevering well.

Lucas W has done some super independent Maths learning this week on multiplying by 5 and 10.

## Information for Families

We have signed up to TT Rockstars, an online program to support children in learning their times tables at home. We have looked at the program in class and children have been given their own login details (in Reading Records). Parents are able to access the program with their children at [www.ttrockstars.com](http://www.ttrockstars.com).

Miss Wells will continue to be absent from school next week. We are looking forward to having Mr Good and Mrs Downs with a sprinkling of the lovely Mrs Brown.

Thank you for your continued support.
