

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 5  
6<sup>th</sup> October 017

## Our Learning Journey

We have all enjoyed the week and have been very busy. We have enjoyed playing goal ball where we had to be blindfolded and use a ball with bells inside so we could work out where the ball was. Imogen was particularly quick at working out the position of the ball and was able to roll the ball to the goal. We played disabled volley ball by keeping our bottoms on the floor!!

We also had experience of indoor games and playing darts and using the wii were very popular.

Throwing into a net balance on the head was good fun!!

We have also described the Olympic Park Stadium and used movement photographs to draw in detail.

## Focus on Learning

### Next week:

We will be continue with our Sports fortnight and next week will be using Sports Science as a theme on Monday morning, playing foot pool, having a skipping workshop and ending with our Inter-House competition. Our House captains have been very busy to make sure all the different competitions have competitors from all year groups.

## Star Learner-

Well Done to everyone for an enthusiastic approach to all the sports activities that we experienced this week.

Well Done to Emma for writing a detailed description of the Olympic Park.

## Reminders to Families

Don't forget to come to school in your PE kit or plain T-shirt and jogging bottoms with trainers or plimsolls all next week.

Swimming will take place as normal.

All children need to bring in their reading books and records everyday. They will be checked every morning.

Children can bring in a healthy snack or a small amount of money to purchase a snack at playtimes.
