

# YEAR 3 WEEKLY LEARNING

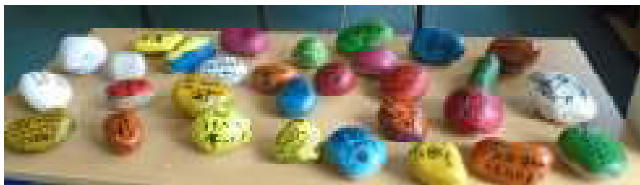

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 28  
7<sup>th</sup> June 2019

## Our Learning Journey

We all enjoyed our Local History Week and found out lots of new things. We walked down to see where Addlestone Bus Garage used to be and thought about the effects this might have had. We were surprised to learn that Gerry Cottle wintered his circus in Addlestone and that elephants, horses and monkeys were walked round the town. The circus sold its last elephant in 1993 and became an animal free circus. We all really enjoyed our trips and the tea party too.

What a lovely week.

Laila, Orton and Harry together cut and assembled a skeleton jigsaw .

They also named the bones.

## Focus on Learning

Next week we will be using myths to show how speech is used in narrative. We will also be thinking about our own hero or heroine who will feature in our own myth.

We will be identifying and using the right number operation to solve word problems

In Science, we will be thinking of what a skeleton protects.

## Star Learners

Well Done to Emily who created a set of owl prints very carefully.

Mrs Brown would like to say Well Done to Lucas W and Anthony who, in a small group, asked and answered questions in RE with confidence.

## Reminders to Families

Please bring in your reading record as they are checked every day.

Thank you.
