

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

7th December 2018

Our Learning Journey

This week we watched the Infant children perform their Nativity. We all really enjoyed it and can't wait to perform in our carol concert next week.

In Maths we have been using place value to help us calculate using larger numbers. We have used concrete equipment to support our learning.

On Wednesday we had some very special visitors in our music lesson. A group of musicians brought in their instruments to show us. We learnt about how they work and listened to them being played before joining in with some Christmas songs.

Focus on Learning

We are so excited for the pantomime. This year it is Sleeping Beauty and we will be revisiting the story in our English lessons next week.

On Monday we will be walking to St Paul's church to practise our carol concert. Please make sure your child has a coat to wear.

Star Learners

Luca thought carefully about how he will use a sliding mechanism to create a moving picture. He also drew a clear diagram to explain this with a list of equipment he will need.
