

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 20  
8<sup>th</sup> March 2019

## Our Learning Journey

We enjoyed taking part in mock trials of Jack from Jack and the Beanstalk and the Wolf from Little Red Riding Hood. Sadly, both characters were found guilty and sent to prison. We then used this activity to write up a newspaper report.

We used our soil sample and examined a small amount. We found that the soil samples were a little different and looked at the texture and colour. We also found a wood louse and a worm!

We continued to play Monopoly with Angela too.

We have sketched out a mountain scene and used our colour mixing to create our own sky colour. This was more difficult than we thought.

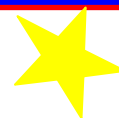

## Focus on Learning

Next week we will continue to focus on instructional writing.

We will use our times table knowledge to support division.

We are looking forward to celebrating Red Nose Day on Friday 15<sup>th</sup> March. The children are invited to dress in red. There is a joke competition and we will be voting for the best one. The winner will then tell their joke in assembly.

## Star Learners

Well Done to Mia who has worked hard to explain how a grid works for multiplication using the vocabulary partitioning and recombining.

## Reminders to Families

Please can all children bring their reading books and records every morning. They are checked every morning.

Thank you.

Don't forget to find a joke!!
